### Vision

We aim to be an educational institution that nurtures cognitive and motor skills in our students, enabling them to meet the needs of the pharmaceutical industry and make a positive impact on the global healthcare system.

### Mission

- To create a cutting-edge infrastructure that promotes the growth of cognitive and motor skills for the purpose of meeting professional obligations and challenges in the students.
- To deliver pharmacy education that prioritizes the needs of our students and maintains a standard of excellence over time. This can assist in the development of leaders and entrepreneurs.
- To inculcate a sense of social responsibility and professional ethics in students.
- To promote lifelong learning by enhancing the relationship between industry and academia, allowing for a greater understanding of the current industrial landscape.

### Value

- A commitment to excellence in teaching, research, and practice.
- Engaging students as crucial participants.
- Building a strong partnership with the industry to advance the pharmaceutical field.
- Embrace an interdisciplinary approach to enhance patient care and contribute to the healthcare system.
- Direction and teamwork in everything that we do.
- Reliability of the operating system and the surrounding work environment.
- Treating each person with dignity.

### Motto

हस्ते विभ्रन्द्रेषुजा (Meaning: Pharmacist is the personnel who possess the miraculous ability in their hand to create magical medicines)

### Meaning:

We are the ones who have the potential in our hand to create divine medicine.

## GOVERNING BODY

### Preamble:

Sumatidevi Tompe Institute of Pharmaceutical Science & Research, Chandur Bazar, Amravati, is a premier educational institution for pharmacy education. The governing body of the institute is committed to providing quality education and research opportunities in the field of pharmacy. The Governing Body comprises eminent personalities from diverse fields, including trust management, academia, industry, and the healthcare sector. The primary objectives of the governing body are to ensure the overall development and growth of the institute, to promote academic excellence, to foster research and innovation, to maintain high standards of teaching and learning, and to ensure the welfare and development of the students. The governing body shall also strive to enhance the institute's reputation and visibility in the academic and professional communities, both nationally and internationally. The governing body shall discharge its duties and responsibilities in a transparent, accountable, and democratic manner and shall adhere to the principles of good governance and best practices in governance.

### Role and responsibility of Governing body:

The Governing Body (GB) is a statutory body responsible for overseeing the academic and administrative functions of an institute affiliated with a university. As per University Grants Commission (UGC) guidelines, here are the major roles and responsibilities of GB:

- **Academic Planning:** The GB is responsible for developing and implementing academic plans for the institute, including curriculum design and updating. It ensures that the academic programs offered by the institute.
- **Financial Management:** The GB is responsible for managing and sanctioning the institute's finances, including budget preparation and resource allocation. It ensures that the institute operates within the financial constraints set by trust management.
- **Student Welfare:** The GB is responsible for ensuring the overall welfare and development of the students enrolled in the institute. It provides guidance and support to students in academic, personal, and professional matters.

- **Research and Innovation:** The GB is responsible for sanctioning aid required for research and innovation activities in the institute.
- **Infrastructure Development:** The GB is responsible for developing, maintaining, and sanctioning the infrastructure of the institute, including classrooms, laboratories, libraries, and hostels. It ensures that the infrastructure meets the norms of all apex bodies and monitoring committees.
- **Recruitment and Appointment:** The GB is responsible for sanctioning the posts of faculty members, administrative staff, and other employees of the institute. It ensures that the recruitment process is fair and transparent.
- **Disciplinary Action:** The GB is responsible for taking disciplinary action against students and faculty members who violate the institute's rules and regulations set by trust management, the institute, and all apex bodies and the monitoring committee.

#### Construction of Governing Body:

SN	Name of the Member	Designation of the Member	Position of the Member in GB
1	Mr. Bhaskar K. Tompe	President, G. S. Tompe Mahavidyalaya Public Trust	Chairman
2	Dr. Vijay K. Tompe	Secretary, G. S. Tompe Mahavidyalaya Public Trust	Trust Representative
